

Town of Riverdale Park, Maryland
Resolution 2009-R- 06

Resolution on Direction

Where as: The Town of Riverdale Park Town Council has voted in favor of inclusion to and to become a member in good standing of the Cool Cities program, and

Where as: In this effort, the establishment of benchmarks of standards as to energy consumption of one form or another to be attained within agreed to intervals of time will assist in reaching this goal, and

Where as: An establishment of baseline measurements are necessary prior to the establishment of said benchmarks, now therefore

Be It Resolved: The Council directs the Mayor and Town Staff to conduct an inventory of the entire vehicular fleet belonging to the Town as to their type and amount of energy consumption to be completed no later than sixty calendar days after approval of this resolution.

Introduced by: CM Lingua Date: February 2, 2009

Approved February 2, 2009

Patrick J. Prangley, Town Administrator

Vernon Archer, Mayor
