

**Tentative
Town of Riverdale Park
Work Session
November 30, 2009**

**Call to Order
Approval of Agenda
Mayor's Report**

- **LaQuatia Josey, WSSC Project Manager - Power Point Presentation -**

Brief synopsis: For the main replacement contract known as Riverdale I. The Washington Suburban Commission after more than 90 years of service is facing, the same problem confronting water providers across the country- decaying pipes and valves. The water mains listed below were originally installed in the 1920's. These water mains will be replaced with new ductile iron pipe which will greatly reduce the frequency of water main breaks. The affected streets include: Quesada Road, 54th Place, 54th Avenue, Jefferson Street, Spring Lane, Kennedy Street, Ingraham Street, Patterson Street, Powhatan Street and a portion of Riverdale Road.
