

Community Information Service Message

Several months ago, we launched a new community information service designed to deliver important and timely information to residents in our area using the latest technology. This service, Nixle, delivers trustworthy and important neighborhood-level public safety and community event notifications instantly sent to you by cell phone text message, email, and web. There is NO Spam or Advertising.

Nixle is available at no cost (standard text message rates apply for cell phone subscribers who do not have text plans with their cell phone providers). The service is simple to use, reliable and trusted.

Register now and learn more at www.nixle.com. Once you register, you can add additional "locations" in which you have an interest (such as the address of a loved one living in another state). If you do not live in the Town of Riverdale Park, please add our Town Hall address, 5008 Queensbury Road, Riverdale Park, Maryland 20737, as one of your "locations" to stay up to date on Riverdale Park matters that could impact you.

We would ask you to forward this email to five of your neighbors or friends in the community and recommend that they register to receive neighborhood information. Please help us reach our goal of increasing our registered users by 1000 percent **by December 21**. (We had just 82 registrants a few weeks ago and are now up to nearly 400!) Nixle will reward the top three jurisdictions in the country that make the most significant improvement. We know, with your help, we can be one of those recipients!

Stay connected to your world, from the public safety alerts that are relevant to you, to the important neighborhood advisories you want to know about, and other valuable community information. You decide what information you want and whether you want it sent to your cell phone, email, or just simply over the web.

We are really excited to have you experience Nixle.

Nixle It -- and Many Thanks!

Teresa C. Chambers
Chief of Police
Town of Riverdale Park
