

1. Trash will be picked up President's Day, Monday, February, 15, 2010. Please have toters/trash containers at the curb the night before.
  
1. There will be no drop-off of bulk trash at the Department of Public Works facility on Saturday, February 13, 2010 due to the recent blizzard and lack of space.
  
2. The Department of Public Works will continue to make the streets passable by pushing the snow back in your neighborhoods. We apologize for the inconvenience but this action is necessary to maximize the free flow of traffic.

Your continued cooperation is very much appreciated.
