# Public Safety Community Walk

Join Chief David Morris, elected officials, police commanders, and code enforcement for a Public Safety Community Walk on June 9, 2012. Everyone is welcome.

The Public Safety Community Walk will begin promptly at 10:30 am at the Town Center Market, 4705 Queensbury Road. We will tour the Ward One area and complete our walk at the Calvert House Inn, 6211 Baltimore Avenue. This is a great opportunity to interact with your elected officials, police commanders, and neighbors.

Hope to see you then!
