

The Town will hold a public hearing on Monday, June 4th at 7:30 p.m. to solicit public input on future cable-related needs and interests. We will use this feedback to inform the Council and guide the negotiation process for the Comcast franchise renewal. If you are unable to attend the public hearing but would like to provide comments, please email Town Administrator Sara Imhulse at simhulse@riverdaleparkmd.gov by COB on Monday, June 4th.
