

# STOP BY AND YOU COULD SAVE BIG ON YOUR ENERGY BILL.

Enter a drawing at the event to win \$500 towards energy-efficiency improvements in your home.

## WHAT IS STEP?

The Small Town Energy Program (STEP) is now underway in Riverdale Park. STEP is a community program funded by a grant from the US Dept. of Energy that makes it easy and affordable to improve the energy efficiency of your home.

## WHY PARTICIPATE?

Sign up for STEP and you may enjoy these benefits:

- **SAVINGS**, with lower utility bills and huge rebates—from \$400 to \$4,650—for home energy improvements.
- **COMFORT**, with lower drafts and hot/cold rooms.
- **VALUE**, because an energy-upgraded home is worth more to buyers.
- **HEALTH**, by helping to identify mold, moisture, CO leaks and home air quality issues.

## FREE SUPPORT

STEP includes free support from “Energy Coach” Suzanne Parmet. Suzanne can answer all your questions and help you at every step.
