

Town of Riverdale Park, Maryland

Town Administration

TOWN ALERT 3: COVID-19

March 23, 2020

This Alert supplements and amends the Town Alert 2: COVID-19 issued on Monday, March 16, 2020. All conditions of previous Alerts remain except as outlined below:

Department specific changes:

- Town Hall and the Department of Public Works offices will be closed to the public until further notice. Residents and businesspersons will not experience any delay in conducting Town business through the website, by email, or by telephone.

The following closures, cancellations and/or suspension of services are until further notice and were not listed in the previous Town Alert:

- Waggertail Dog Park will be closed effective today at 5:00 p.m.

Playgrounds:

- The Town does not have operational control over playgrounds. However, the Town is advocating that the Maryland-National Capital Park and Planning Commission (M-NCPPC) close all playgrounds under their control that are located within the Town. Additionally, the Town has asked private operators of publicly accessible playgrounds, to close their playgrounds.

Additional changes to schedules and services are likely. Please check the Town's website at www.riverdaleparkmd.gov for updates.

END.
