

The 29th Annual Historic Hyattsville House Tour Sunday, May 18th 2008, 1:00-5:00pm

The Hyattsville Preservation Association is honored to once again showcase beautiful homes in Historic Hyattsville. This year's tour includes several Victorians and a beautiful remodeled Craftsman bungalow, as well as large historic buildings adapted for modern use.

Each home showcases the owner's unique approach to making the house comfortable for life in 2008. Our city and its residents are proud to share our homes and neighborhoods with you.

Come see why Washingtonian Magazine has been named Hyattsville as one of the Washington areas "great places to live."

The Historic Hyattsville House Tour is a self-guided walking tour. For those with difficulty walking the tour, the City of Hyattsville provides a van that continuously circles the route.
