The ride starts at Magruder Park in the City of Hyattsville and will go out and back to Lake Artemesia 100% on trails. Participants are welcome to do all or part of the ride. If you have never been to Lake Artemesia you are in for a wonderful surprise. This beautiful natural resource is a 30 minute bike ride on the mostly flat North East Branch Trail.

Recently there have been a few crimes on our trails. This ride is a show of force to criminals that the community cares and will not tolerate their behavior.
