

**Discover It,  
Experience It**

## **Prince George's County 4-H**

### **Interactive Robotics Workshop**

**Do you want to become an engineer?**

**Do you love building things with Lego's?**

**Do you want to learn how to build robots?**

The Town of Riverdale Park will be partnering with Prince George's County 4-H Youth Development Program to host a free interactive robotics workshop for students on May 21, 2011 at 1pm-3pm at the Riverdale Park Town Hall in Riverdale, Maryland.

Students will discover the wonderful world of Science, Technology, Engineering, and Math and the programs that 4-H has to offer, in addition to building and programming a robot, using NXT Mindstorms® technology.

UNIVERSITY OF  
**MARYLAND**
