Three Public Forums will be held to gather public input on school boundaries, grade structures and program changes. Suggestions will be incorporated into recommendations that the Department of Pupil Accounting and School Boundaries will make to the interim Superintendent. All, some, or none of these recommendations may be put before the Board of Education for a vote. Before a vote takes place, changes would be the subject of formal public hearings. The following items will be discussed during the forums:

 Realigning the boundaries of Oxon Hill High to accommodate the reduced capacity of the replacement building

 Information regarding the new Hyattsville Area Elementary

 Transforming Accokeek Academy to a true K-8 by aligning elementary and secondary boundaries

 Consolidating the elementary and secondary Deaf & Hard of Hearing programs at William Hall Academy

 Implementing the following 6th grade to middle school conversions:

- **Benjamin Tasker Middle:** Woodmore Elementary
- **Ernest Everett Just Middle:** Ardmore Elementary & Woodmore Elementary
- **Greenbelt Middle:** Magnolia Elementary
- **Hyattsville Middle:** Hyattsville Elementary & Riverdale Elementary
- **Walker Mill Middle:** Capitol Heights Elementary & John Bayne Elementary
