

**CONSTRUCTION UPDATE NOTICE**

**Weeks of: April 21, 2014 and April 28, 2014**

**What to Expect On-Site the Next Two Weeks:**

During the next two weeks of construction, the General Contractor, L.F. Jennings, will continue installing erosion and sediment control fencing and ponds, installing perimeter fencing, continue site clearing on the east side of the site, continue removal and haul-off of excess soil and trees, and continue the rough grading on the west side of the site.

These activities will require heavy equipment accessing the site. Two construction entrances are located along Route 1 located near both ends of the project site and one entrance at Maryland Avenue.

Drilling rigs will also be boring small holes in the ground to obtain geotechnical data needed for the design of the bridge over the CSX railroad tracks.

**Lane Closures:**

There are no anticipated lane closures associated with this work.

**Construction Hours:**

Construction activity will be taking place Monday – Saturday between the hours of 7 a.m. and 5 p.m.
