

**Prince George's County Volunteer Fire & Rescue Association  
93<sup>rd</sup> Annual Convention**

**Ladies Auxiliary to the Prince George's County  
Volunteer Fire and Rescue Association  
85<sup>th</sup> Annual Convention**

Dear Business Owner/Manager;

The Prince George's County Volunteer Fire and Rescue Association 2015 Convention will be held in Riverdale Park, Maryland from September 12 through 19, 2015 and hosted by the Riverdale Fire Department. This will be the 93<sup>rd</sup> Annual Convention of the Association and the 85<sup>th</sup> Annual Convention of the Ladies Auxiliary.

As is customary, we will be producing a Convention Program/Yearbook that highlights convention activities and important reports of the Association. The program/yearbook is distributed to delegates from each volunteer fire department and ladies auxiliary in Prince George's County and shared with over 5000 men and women dedicated to serving your community. **This is a perfect opportunity for businesses in and around Prince George's County to promote their business and services to these members and their family and friends by placing an advertisement in the program book.** We encourage our membership to support the businesses advertising with us and encourage others to do so as well.

**Our advertising rates are conveniently priced with multiple tiers to fit any budget, and include options for **full color** or black and white advertisements. All advertising proceeds are used to support the convention and host company.**

If you are interested in purchasing an ad, **please complete and return the application enclosed along with original high resolution picture for your advertisement and your payment. The book is printed in 8 ½ x 11 portrait format. Electronic advertisements should be in PDF, JPEG or bitmap format and is preferred.** If you need assistance with ad design, we can assist with basic design, just let us know.

Thank you for your support of the **VOLUNTEER** firefighters of Prince George's County.

Respectfully,

David W. Sutton,  
Convention Committee Chair
