

## **CONSTRUCTION UPDATE NOTICE**

**Weeks of: August 31, 2015 and September 7, 2015**

### **What to Expect On-Site the Next Two Weeks:**

During the next two weeks of work, the General Contractor, L.F. Jennings, will continue construction of the Whole Foods Market and Building #3. Underground utility work to install storm drains and sewers is proceeding in multiple areas on the site. Electrical conduits are complete from Route 1 to Whole Foods Market. Pepco crews are currently installing cabling and equipment for permanent power on site. The sanitary sewer work is ongoing and will continue. The storm drain installation around the Whole Foods Market has begun.

### **Lane Closures:**

New storm water outfall line under Route 1 has been installed. Other utility connections for sanitary sewer, water, Verizon, Comcast and gas will now commence.

### **Future Plans:**

- Two week to two month look-ahead –
  - Continue all of the above work but start an additional building to provide new retail to the area.
  - Start construction of the Whole Foods Market parking lot.
  - Start construction of the pond at the northeast corner of the site.
  - Start utility relocation for the construction of the CSX Crossing east of the railroad tracks.
  - Begin widening of Route 1, installation of curb & gutter, and construction of on-site roads.
  - Start installation of a traffic signal at Van Buren St. & Route 1.
  - Begin construction of miscellaneous site structures in Gateway Park.
  - WGL to begin relocation of existing gas main in Maryland Ave. followed by installation of new storm drain outfall to Wells Run box culvert.
- Two to six month look-ahead –
  - Start additional retail buildings.
  - Start interior fit-out of Whole Foods.
  - Finish widening of Route 1.
  - Opening of Gateway Park.

### **Work Hours:**

Work activity will be taking place Monday – Sunday between the hours of 7 a.m. and 7 p.m. However, work on the State highway will be restricted to 9:00 a.m. to 3:00 p.m.
