

Community Altar for the Departed

in honor of All Saints Day & Day of the Dead at Archie Edwards Blues Heritage Foundation

You are invited to remember your deceased family, friends, and ancestors in a community altar. Interested persons may submit framed or unframed photos, offerings, and decorations, which will then be arranged by a local artist, Alison Spain. Community members are encouraged to share their own traditions and ways of honoring the dead. Everyone is welcome!

If you would like to participate, please drop off your photos and offerings to Alison at her home or the Archie Edwards Blues Heritage Foundation. Please label the back of your items with your name and phone number. Although the utmost care will be taken, please do not contribute priceless or irreplaceable items. Photocopies are suggested for special photographs.
