RIVERDALE PARK BUSINESS ASSOCIATION

Wednesday, July 10 Meeting To Focus on Future Projects, Development

Riverdale Park, MD, July 8, 2019 – Calvin Cafritz Enterprises broke ground on June 19 for Building 5 on the final leg of the 38-acre project's first of two phases. The building will wrap around the four-story parking garage already constructed in the north central portion of Riverdale Park Station. It will add 220 mostly one-bedroom, and junior one-bedroom apartments. Junior one-bedrooms are slightly smaller one-bedroom apartments without a window in the sleeping area, *The Biz* was told.

Details for completing the second half of the project are coming together as town and county officials sign off on the latest drafts of what has become an economic engine in North Central Prince George's County. But there is even more to be excited about as new projects are hatched along Kenilworth Avenue where construction of the long-planned Purple Line is moving at a breakneck pace.

Join the Riverdale Park Business Association on Wednesday, July 10 at 6 pm as members discuss the current business climate and weigh in on future projects that will move Riverdale Park and the greater business community into high gear.

RPBA will also discuss proposals for several exciting business-building outdoor events that will showcase area restaurants, music and entertainment. If you operate an eatery, bar, performance theater, or book musicians and entertainers, you need to be at this meeting.

The 90-minute meeting with area business leaders will be held at the Riverdale Park Town Hall, 5008 Queensbury Road, Riverdale Park, MD 20737.
